

The McGill Nursing Collaborative for Patient- and Family-Centered Care proudly presents:

Why you need a nurse on your team!

presented by:

Dr. Peggy Chinn, RN, PhD, FAAN
Professor Emerita, University of Connecticut

When: September 26th, 2019
4:00-6:00 p.m.

****A reception with light refreshments will be held after the event****

Where: Jewish General Hospital (room TBA)
3755 Chemin de la Côte-Sainte-Catherine
Montréal

Join us as visiting scholar Dr. Peggy Chinn shares her knowledge and expertise with the Montreal nursing community. Dr. Chinn will be speaking about the role of nurses in the interdisciplinary team, how teams can assure that every voice is represented, and what the discipline of nursing brings to the table.

****This event will also be available online via live streaming****
