She Named Her Child “Enough”

June 22, 2018 | *The Intercept*

BY ALEX POTTER

Alex Potter

Alex Potter is a photographer and journalist from the Midwest working mostly in the Middle East. Her work explores conflict and trust, loss and isolation within communities and relationships. Alex aims to bridge the gap between the foreign and familiar by creating thought-provoking and emotional images. Her work can be seen in publications like *The New York Times*, *The Washington Post*, *Harpers Magazine*, *Smithsonian Magazine*, *TIME Lightbox*.

“We will illuminate dark places and, with a deep sense of responsibility, interpret these troubled times.”

—Joseph Pulitzer III (1913-1993)
