

Approved Host Institutions for Study Abroad & Transfer Credit: THE AMERICAS

NOTES:

1. Effective S25, the Independent Study Away (ISA) option for students in the BA, BSW or BTh degrees will be strictly limited to approved institutions located in Canada. Arts OASIS will no longer be approving - nor authorizing transfer credits – for requests to enroll in courses at institutions abroad, regardless of whether those institutions are in regions which are “home” to students.
2. All exchange and independent study away must be pre-approved by Arts OASIS to determine if you meet the [academic eligibility requirements](#) to receive “Faculty Approval” on your Minerva application and transfer credits.
3. **McGILL EXCHANGE:**
 - a. If you apply and accept a nomination to a McGill Exchange partner, your status at the host institution will be “exchange/non-degree” student. **A list of exchange partners is available [here](#).**
 - b. Many of our McGill Exchange partners do not accept applications for “IndependentStudy Away” undergraduate “visiting, non-degree” student status.
4. **INDEPENDENT STUDY AWAY:** Although a university appears on this listing, it is your responsibility (**not Arts OASIS**) to confirm:
 - a. The university has an undergraduate “visiting/non-degree” student status;
 - b. You meet the host country’s visa requirements and the host university’s eligibility criteria;
 - c. You meet their application requirements and can afford the university’s tuition.
