

Resumption of studies: Students in the Faculty of Arts who have experienced an interruption or disruption in their studies of one or more academic terms due to reasons of physical or mental health must provide a completed 'Return to Study Health Provider Declaration' form, signed by their Healthcare/Mental Healthcare Provider, indicating that they are capable of resuming their studies.

TO BE COMPLETED BY STUDENT:**Student's Name:****Student ID:****Reason for Absence:****Intended Term for Resumption of Studies (eg. Fall 2024):****Authorization for Release of Personal Information:**

I _____, hereby authorize my healthcare provider to disclose and release relevant
STUDENT'S NAME
medical documentation and information to Arts OASIS, McGill University, for the purpose of confirming my readiness to resume my studies and supporting the assessment of my readmission application.

Signature of Student: _____ **Date:** _____**TO BE COMPLETED BY THE HEALTHCARE PROVIDER:****Name:****Title:****License/Permit no. (where applicable):****Organization:****Address:****Telephone:****Declaration of Health/Mental care Provider:**

By signing below, I confirm that I have examined _____ on _____.
PATIENT'S NAME DATE

I certify that, based on my estimation, this individual is reasonably able to resume their studies at of the abovementioned term at McGill University in the Faculty of Arts.

As an example, in the case of challenges with mental health, some key indicators of wellness that that one would need to demonstrate would be:

- Sound organizational competencies (time management, etc.)
- Sustained emotional stability
- Sound social and interpersonal functionality
