What the Fall 2020 Term Will Look Like (due to COVID-19)

Links, FAQ’s, & Resources for New Students

We understand this is a time of uncertainty, and that you have questions regarding the Fall 2020 semester at McGill University. Looking for answers may be overwhelming and confusing.

To make things easier for you, Arts OASIS has compiled the following information and links.

**McGill’s Fall 2020 term will begin as scheduled and proceed remotely.**

Although classes will be delivered remotely, McGill University is examining possibilities to create on-campus student life and activities which will carefully respect health and safety protocols. For students who cannot be in Montreal in the Fall term, these activities will be replicated virtually to allow full participation by all students.

*We are driven by the principle that no student shall be disadvantaged, and all students shall have access to their program of study.*

Stay tuned to your McGill email inbox, as well as to the following McGill websites, FAQs, & resources for the latest updates and announcements for students.
