Université  
de Montréal

"The Visiting Speakers Program in Oncology - VSPPO is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada." Credit certificate request: [vspo@mcgill.ca](mailto:vspo@mcgill.ca)

## Virtual Presentation

### Dr. Keith W. Pratz

Director, Leukemia Program

Associate Professor of Medicine (Hematology-Oncology)

Hospital of the University of Pennsylvania, USA

## Practical Strategies in AML: Implementing Novel Therapies

### LEARNING OBJECTIVES

- Discuss practical considerations of AML management from a multidisciplinary perspective.
- Evaluate emerging treatment options and their applicability in individual patient profiles.
- Integrate evidence-based treatment strategies into daily clinical practice to enhance decision-making skills.
