The Unspoken Quality Metric: Moral Distress and Peer Support in Healthcare

Dr. Kurt F. Heiss, MD
Professor of Surgery and Pediatrics, Division of Pediatric Surgery, Departments of Surgery and Pediatrics, Emory University School of Medicine
Medical Director of Quality, Surgical Services, Children's Healthcare of Atlanta

le 19 juin 2019, 8h00-9h00 | June 19, 2019, 8:00-9:00am
CUSM auditorium de l’Institut de recherche, salle E.S1.1129
MUHC Research Institute Auditorium, room E.S1.1129

Educational Objectives:
1. The causes of contemporary physician burn out and moral distress
2. The phases of recovery after an experience of moral distress leading to the SVS
3. The opportunities for individual, divisional and institutional peer support to help recover the wounded provider
4. An intervention they are personally able to perform to address the next event of moral distress in a colleague

La présente activité est une activité de formation collective agréée au titre de la section 1 conformément au programme de Maintien du certificat du Collège royal des médecins et chirurgiens du Canada. | This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.
