

March 27, 2020

Hi Everyone,

This week's Departmental Acknowledgement goes to **Elene Khalil** on the occasion of her promotion to Associate Professor.

Elene is a member of our Division of Pediatric Emergency Medicine. Elene was recognized for her contributions in education which includes her long service as Program Director for the Pediatric Emergency Medicine Fellowship Program. Uniquely Elene has international stature in disaster preparedness and has lectured widely on this topic and been at the forefront of curricular development and "whole of system" simulations. In this area she has also led innovative policy changes and is a consultant to public health authorities. In addition, Elene was recognized for her leadership role as Director of Education for the MUHC site which is the largest of the McGill teaching hospitals for UGME and PGME activities.

Please join me in congratulating Elene on this personal accomplishment.

Have a great weekend everyone!

Michael

Michael Shevell, MDCM, FRCPC, FCAHS
Chairman, Department of Pediatrics
Professor (with Tenure)
