It is often said, “If you want something done, ask a busy person”. Everyone is pretty busy these days...so when the call went out for members of the department to volunteer to help in our overwhelmed core clinical areas, it was not surprising that some of the busiest people stepped up.

I know that their help is greatly appreciated and that they are making a huge difference. Please join me in thanking the following people for their willingness to help.

Najma Ahmed	Gillian Morantz	Zofia Zysman-Coleman
Preetha Krishnamoorthy	Sara Long-Gagné	Adam Shapiro
Matt Donlan	Suzanna McDonald	Ahmed El-Domiati
Patti Li	Julius Erdstein	Marcel Severe
Julie St. Pierre	Catherine Millar	David Mitchell
Catherine Henin	Laurel Kimoff	Louise Auger
David D’Arienzo	Dave Zielinski	Julia von Oettingen

For all those who have contacted Harley Eisman directly to volunteer in the TCC (I don’t have the names): Thank you.

Please join me in thanking all of these physicians for their generosity and energy. Have a good weekend.
