

Réunion Scientifique Pédiatrique Pediatric Medical Grand Rounds

33rd Annual Saul Usher Lecture

Marfan Syndrome and Related Disorders: Learning When to Worry

Shaine Morris, MD, MPH

Associate Professor of Pediatrics, Pediatric Cardiologist and Epidemiologist
Texas Children's Hospital and Baylor College of Medicine
Medical Director of Cardiovascular Genetics Program at TCH
Associate Program Director for the Cardiology Fellowship

le 23 September 2020 12 – 13h | September 23, 2020, 12:00 – 1:00 pm

Grand Rounds will take place via Zoom

Zoom link : <https://mcgill.zoom.us/j/98834317278>

Educational Objectives:

1. To be able to know when to refer to cardiology or Genetics for assessment for a connective tissue disorder in the current era
2. To understand the current status and availability of genetic testing
3. To be able to list risk factor for aortic dissection in children and young adults apart from diagnosis alone

Please note that for the time being, since Grand Rounds is taking place via Zoom, there will be no videoconferencing or livestreaming via Twitter.
