

Lianne Kopel, MDCM, FRCPC

Pediatric Respirologist

Fun fact about me:

I enjoy dancing and won the 2018 Just for Kids (JFK) Foundation Dancing with the Stars competition which raised funds for the Montreal Children's Hospital.

I love working with children and their families because:

children have the best qualities: they are fun, incredibly resilient, and innocent. It's a pleasure to work with children and to help them and their parents.

Academic appointments:

Assistant Professor, Department of Pediatrics, Faculty of Medicine, McGill University

Other appointments:

Co-program director, Pediatric Respirology, The Montreal Children's Hospital

Member of Examination Board for Pediatric Respirology, Royal College of Physicians and Surgeons of Canada

Clinical interests:

Pulmonary complications of sickle cell disease, asthma, cystic fibrosis
