New York City Experience with COVID-19: From Hospital Adaptations to Multisystem Inflammatory Syndrome in Children

Eva Cheung, MDCM
Assistant Professor of Pediatrics
Divisions of Pediatric Critical Care Medicine and Cardiology
Medical Director, Pediatric ECMO
Columbia University Medical Center

le 7 octobre 2020 12 – 13h | October 7, 2020, 12:00 – 1:00 pm

Grand Rounds will take place via Zoom
Zoom link: https://mcgill.zoom.us/j/93580867208

Educational Objectives:
1. To understand the epidemiology and impact of COVID-19 in pediatrics in a worldwide epicenter.
2. To recognize the need for hospital/institutional adaptations in a rapidly changing pandemic environment.
3. To learn the more common presenting features of MIS-C and recognize the need for on-going research and understanding of this new syndrome.

Please note that for the time being, since Grand Rounds is taking place via Zoom, there will be no videoconferencing or livestreaming via Twitter.
