Goals and Objectives

At the end of this workshop, participants will be able to:

- Heighten awareness of the breadth of digital tools available for curriculum delivery
- Outline the most advanced features of Zoom, MyCourses, and One45 that can be used for delivery of curriculum
- Encourage PDs to inventory their use of digital tools and take their curriculum delivery to the next level by using Zoom, MyCourses and One45

This program meets the accreditation criteria as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada and has been accredited by the Office of Continuing Professional Development, Faculty of Medicine and Health Sciences, McGill University for up to 2.75 Section 1 credits/hours. Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Office of Continuing Professional Development, Faculty of Medicine and Health Sciences, McGill University for up to 2.75 Mainpro+ credits/hours. Members of the American Academy of Family Physicians are eligible to receive up to 2.75 Prescribed credit hours for attendance at this meeting/event due to a reciprocal agreement with the College of Family Physicians of Canada.
