## **Postgraduate Medical Education Site Selection Policy**

- 1) All requests for addition or removal of a teaching site must be comply by the regulations outlined by the CMQ: <http://www.cmq.org/pdf/agrement/form-web-ajout-retrait-milieu-fr-def.pdf?t=1544323947572>
- 2) All request must be approved by the Residency Training Committee, signed by the Program Director and approved by the Associate Dean PGME prior to submission to the CMQ for approval.
- 3) Upon approval by CMQ, the Accreditation office must be notified by PGME of the status of the site.
- 4) All sites approved must comply with McGill University and the Faculty of Medicine regulations and policies.
- 5) An updated list of approved and accredited sites is maintained on the CMQ website: <http://www.cmq.org/liste-agrements/index.aspx?lang=fr>

Approved: 2018-12-12
