Sharing of experiences, challenges and opportunities regarding CBME implementation |
| 11:50 | Summary and Conclusions – Dr. Evelyn Constantin |
| 12:00 | Wrap-Up & Evaluation |

Goals and Objectives

At the end of this workshop, participants will be able to:

- Describe the similarities and differences between the two CBME models: Competence by Design and Triple C.
- Outline best practices regarding CBME implementation in both Competence by Design and Triple C.
- Explain the key processes and steps required to prepare a residency program for CBME implementation.
- Integrate appropriate assessment practices for Family Medicine residents within CBD programs, and EPA assessments of CBD residents within Family Medicine learning experiences.

This workshop is an Accredited Group Learning Activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada (Section 1) and the College of Family Physicians of Canada (MAINPRO-M1).
