

PHARMACOLOGY HONOURS PROGRAM

APPLICATION FORM

Students who have satisfactorily completed the first three terms of the Pharmacology Major program with a CGPA of at least 3.50 and a mark of B+ or higher in core Pharmacology courses (PHAR 300, 301 & 303) are eligible for admission into the Honours program.

As an Honours student you are required to carry out an independent research project in Pharmacology (PHAR 598 D1/D2) under the supervision of a faculty member. **Please explain your interest in research. As part of your explanation, please use a specific topic under investigation by a lab associated with the Department of Pharmacology. If you have previously worked in a research lab, please tell us about the experience (where, when, what) and explain why this fostered your interest in research.**

The **deadline for submission** is **Monday, February 19th 2024 at 11:59pm.**

Applicants should submit the following in electronic format to Chantal Grignon, Student Affairs Officer, at undergradstudies.pharmacology@mcgill.ca:

1. The completed version of this form
2. McGill transcript(s) (unofficial PDF copy from Minerva)
3. A typewritten, double-spaced personal statement explaining your interest in pursuing the Honours Program in our department.
