6) Advanced Research Tool: There are two options to fulfill the Advanced Research Tool requirement.

Language: Students must pass an advanced-level translation test from a language other than English. If the student's research will involve fieldwork in a country where English is not widely spoken, the test will include an oral component. In selecting a language to fulfill this requirement, the student must demonstrate in writing how the chosen language is related to his or her research.

**OR**

Advanced Methods Minor: To fulfill this requirement, students must complete a total of 9 methods credits, which cover both quantitative and qualitative methods. Students who have completed methods courses during their MAs can skip introductory methods courses with the GPD's permission and take only advanced methods courses. Students can consult with the GPC, the GPD and/or the Methods Stream Coordinator to find out what courses count as advanced methods courses. Pursuing this option means the student has only 2 Additional courses (6 credits).
