## *Canada Research Chair Tier 2 in Human Pain and Opioid Addiction*

---

### **Joint position in Faculties of Dentistry and Medicine (Department of Anesthesia)**

**This Canada Research Chair is open to internal candidates who already hold a tenure-track or tenured faculty position at McGill University.**

---

This CRC Tier 2 chair is linked to the Canada Excellence Research Chair in Human Pain Genetics at McGill University. If the successful candidate satisfies the specific eligibility conditions of the program, the candidate may be supported by the University for nomination to a Tier 2 Canada Research Chair (CRC) in **Human Pain and Opioid Addiction**, which provides protected time for research within a full-time academic appointment.

Tier 2 Chairs are for emerging researchers (individuals who are no more than 10 years from having earned their highest degree). However, career interruptions (e.g. maternity or parental leave, extended sick leave, clinical training, family care, etc.) may be taken into consideration using the [Tier 2 justification process](#) to review the candidate's eligibility. Potential applicants who are more than 10 years from their highest degree with career interruptions may contact the institution to have their eligibility reviewed through the Tier 2 justification process. The eligibility conditions for the CRC chairs are described at [http://www.chairs-chaires.gc.ca/program-programme/nomination-mise\\_en\\_candidature-eng.aspx#s3](http://www.chairs-chaires.gc.ca/program-programme/nomination-mise_en_candidature-eng.aspx#s3).

### **Qualifications and Education requirements**

PhD or equivalent and/or an MD or other health professional degree, and at least three years of postdoctoral research training in one of the following fields: statistical genetics, human clinical genetics, molecular biology/pharmacology, electrophysiology, immunology, animal pain models, psychology, brain and cellular imaging and/or clinical research.

---

### **APPLICATION PROCESS**

---

Applications must be submitted online to:  
Dr. Paul Allison, Chair, Search Committee  
c/o Ms. Michelle Dion  
Office of the Dean  
Faculty of Dentistry, McGill University  
Suite 500, 2001, McGill College Ave.  
Montreal, Quebec, Canada H3A 1G1  
Michelle.dion@mcgill.ca  
Tel: 514-398-7222

**The application deadline is 1 April 2018.**

Internal applicants to the Canada Research Chair need to submit a recent curriculum vitae and a statement of research interests aligned with the designated subject area for the chair.

---

## COMMITMENT TO EQUITY AND DIVERSITY

---

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We especially welcome applications from visible minority group members, women, Indigenous persons, persons with disabilities, persons of minority sexual orientations and gender identities, and others with the skills and knowledge to productively engage with diverse communities. We encourage members of equity-seeking groups to self-identify within their letter of intent in their application. Persons with disabilities who anticipate needing accommodations for any part of the application and hiring process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) at (514) 398-1660 or at [Angela.Campbell@mcgill.ca](mailto:Angela.Campbell@mcgill.ca). Associate Provost Campbell can also answer questions related to equity, diversity and inclusion, or privacy concerns the candidate may have related to self-identifying. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
