## THIS ISSUE'S HIGHLIGHT

### New training opportunities

CIHR is pleased to offer new #scicomm training opportunities for health researchers. These workshops are coming up quickly, so be sure to register to reserve your spot as soon as possible!

For description of training and registration, [click here](#)

### "It Takes All of Us" update

McGill has announced a relaunch of [It Takes All of Us](#), our **mandatory online sexual violence awareness and prevention training program** for students, staff, and faculty. The relaunch features a completely updated version of the program and is now available.

McGill's [Policy against Sexual Violence](#) includes a requirement of training on sexual violence prevention for all students and staff. This requirement complements those set out by Quebec law. All members of the McGill community are asked to complete this updated module before Friday, April 28, 2023.
