

engaging lesson plans tailored to cater to diverse learning needs.

Please also welcome **Aniket Sen** as the newly appointed Administrative and Student Affairs Coordinator. Aniket comes to us with a strong academic foundation, having earned a Bachelor of Arts degree from McGill. Throughout his academic journey, he consistently achieved First-Class Honours and was a regular presence on the Dean's Honour List.

We look forward to working with Yeana and Aniket as they begin their new position.

therapies as new frontiers in addiction treatment: state of the science

Dr. Harriet de Wit (University of Chicago): *Microdosing: Fact or Fiction?*

Dr. Gabriella Gobbi (McGill University): *The psychopharmacology of psychedelics: where the brain meets the spiritual mind*

Dr. Emma Hapke (University of Toronto): *Implementing psychedelics into clinical practice*

Drs. Daniel Zigman, Emma Hapke, Gabriella Gobbi: Clinicians' Roundtable
