PSYCHIATRY WEEKLY

October 1, 2018

**Ongoing Registration** Department of Psychiatry’s 75th anniversary

Please join us on November 29, 2018, to celebrate our 75th anniversary! We will be hosting an afternoon of invited lectures by distinguished international guests, followed by a cocktail dinner with live entertainment. This will be a wonderful opportunity to hear what’s new in psychiatry while reconnecting with friends, networking with staff and alumni, and sharing our successes.

Don’t forget to RSVP as space is limited. The preliminary program is available on the registration page. We look forward to celebrating with you!
