Positions Available
Postgraduate Program Director for Child and Adolescent Psychiatry (CAP)
Call for applications | Position Description

3MT Competition
Congratulations to Jay Olson, PhD candidate, winner of this year’s McGill 3 minute thesis (3MT) competition! You can watch the final competition (Jay is at 38:38) here. Jay will be representing McGill at the CAGS Eastern Regional 3MT competition on April 18. Register to attend here.

From the Residency Program Office: Weekly Information Capsule
Did You Know that since 2015, research is a mandatory component of our training for all residents? Have any ideas that would be suitable for residents? Share your ideas with the residents you supervise or contact the program’s research subcommittee co-chaired by Drs Biskin and Chachamovich.

Call for Abstracts: 2018 Annual Research Day
