Holiday Hiatus

Psychiatry Weekly will be going on a short holiday hiatus on December 19, 2017 and will return on January 15, 2018.

Please also note that the Department of Psychiatry administrative offices will be closed from December 23rd, 2017 to January 2nd, 2018 inclusive.

Happy Holidays!

Graduate Excellence Fellowship in Mental Health Research

Congratulations to the students who received the Graduate Excellence Fellowship in Mental Health Research! For a full listing, go to Graduate Excellence Fellowship in Mental Health Research 2017 results.

Resident Awards Night Winners

Congratulations to the winners on Resident Awards Night! For a full listing, go to Resident Awards Night 2017 results.

From the Residency Program Office: Weekly Information Capsule

Did You Know one45 a day keeps the program director away! As staff, you must maintain your continuing professional development by regularly updating your CMEs. Start developing good habit during your training by making sure your one45 is always up to date. (Keeping updated with regular record keeping will also be a great habit to maintain to ensure timely billing as staff.)
