PSYCHIATRY WEEKLY
Call for Applications: 2018 Al-Sumait Prize
The prize is to be awarded to individuals or institutions who, through their research projects or initiatives, have made significant advancement in various areas of health on the African Continent. Applications are due June 30, 2018. Please go to www.alsumaitprize.org for full application details.

From the Residency Program Office: Weekly Information Capsule
Did You Know the program supports our research track residents by offering them protected time (one half day every two weeks) starting in the second half of their PGY-17

Should you have an event to include in Psychiatry Weekly, please send the web link with all details: email, time, location, contact person, etc to communications.psychiatry@mcgill.ca
