3rd place  Lauren Reynolds (Dr Cecilia Flores’ team)

Congratulations!

Assessor Beliefs in the Medical Field Survey

Attending staff who are involved with assessing residents are invited to respond to questions about their beliefs surrounding human abilities and attributes. The survey should take no more than 5 minutes to complete and there will be a re-administration of the survey approximately two weeks later. Participants will receive a gift card worth $20 for participating in the first administration, or $50 for participating in both.

From the Residency Program Office: Weekly Information Capsule

Did You Know that residents might benefit from reviewing the rotation objectives at the beginning of their rotation? All core rotations have updated rotation objectives; please take a look on one45.
