Leyton Addiction Research Prize

Each year, a prize of $1,000 and a trophy is awarded to the trainee who has published the best addictions-related paper. The recipient of this prize will be announced at the Student Research Day in the spring of 2017.

Applicants should complete the application form and send an electronic copy of the paper and supplementary on-line information (if any) to Cindy Lui at graduate.psychiatry@mcgill.ca by March 20, 2017.
