Survey for Psychiatrists and Psychiatry Residents

This study will examine psychiatrists and psychiatry residents' perceptions and attitudes regarding psychosurgery and neuromodulation. The survey should not take more than 10 minutes to complete. To complete this survey click: https://fr.surveymonkey.com/r/D6BJDJ7

From the Residency Program Office: Weekly Information Capsule

Did You Know that the MINI-CEX is meant to be an educational experience which ensures regular and meaningful clinical coaching for residents? Please remember to plan a valuable clinical encounter to observe a wide range of CanMED roles every two weeks.
