Awards

Congratulations to Jay Olson, PhD candidate, winner of the 2018 NAGS 3MT Competition! Click here to view his presentation. Jay is also a finalist in the SSHRC Storytellers Challenge. He will be representing McGill in the Showcase taking place at the University of Regina at the end of May.

Participants needed for CIHR study

Dr Natasha Rajah is looking for participants for her study on how biological sex and hormones impact memory and brain function. Compensation is offered. Please click here to participate.

From the Residency Program Office: Weekly Information Capsule

Did You Know that within the framework of CBD, Psychiatry will have multiple EPAs? Within each EPA are various milestones which need to be observed by staff. Does all this sound foreign to you? If so, please don’t miss our first CBME faculty development half-day on May 24.
