

景教 The Luminous Way

A Monument to Ancient Chinese Christianity

景教

Jingjiao Stele

781ce

One of the unique historical monuments in China is a 9-foot stone stele documenting the history of Christianity in China during the Tang dynasty

March 23, 1-3 pm
Birks Building
3520 University

McGill received the gift of a replica of this monument to mark its first centenary in 1921. The Montreal Chinese community has generously supported the relocation and restoration of this important artifact.
