

RELG 423: Reformation Thought
Fall 2022
Monday and Wednesday; 10:00 a.m. – 11:30 a.m.

WHAT HAPPENED AT THE REFORMATION?

Beginning in the early 16th century, a religious and social earthquake occurred in Europe and the British Isles that transformed the West and is still shaping the world today. RELF 423 introduces you to the communities and persons who experienced this earthquake. It is a class for those who love to explore the intersections between history, organized religion, social transformation, and personal spirituality.
