

McGill University: 2020 - 2021 Incremental Project Grant – Institutional Performance Objectives and Outcomes

Priority Area	Project Title	Objective	Indicator	Example of Outcome and Impact
Innovation and Commercialisation Activities	Strengthening Industry & Partnerships Support	To build capacity in innovation and partnerships management services provided to researchers in order to accelerate the ignition, maturation and transfer of ideas and inventions to the benefit of society	<ul style="list-style-type: none"> - Number of Reports of invention: 155 - Number of Patent applications: 101 - Number of Patents in prosecution: 383 - Number of Patents issued: 33 	<ul style="list-style-type: none"> - Improvements in Increasing Research Collaboration and Technology Transfer
Facilities Renewal	Ongoing Maintenance and Operations of Research Facilities on Campus and Affiliated Hospitals	To support the operations and long-term sustainability of research infrastructure, including ongoing costs for utility costs, operations, maintenance, renovations and upgrades to meet regulatory compliance	<ul style="list-style-type: none"> - Number of facilities supported in Faculties and Affiliated Hospitals: 10 	<ul style="list-style-type: none"> - Support for the Music Technology Suites
Information Resources	Ongoing Digital Resources Support	To enhance access to digital resources for data-driven decision-making	<ul style="list-style-type: none"> - Number of Tableau Server Users: 45 	<ul style="list-style-type: none"> - Creation of Interactive Dashboards Related to Research Performance and Improved Visualizations
Information Resources	Enhancing Capacity for Data Management	To continue to develop infrastructure for data management including support for researchers in data management planning	<ul style="list-style-type: none"> - Number users in McGill's Dataverse: 38 - Number of downloads from McGill's Dataverse: 11,185 	<ul style="list-style-type: none"> - Creation of Online Research Data Management Training Modules
Equity, Diversity and Faculty Renewal	Building EDI Expertise and Guidance	To promote and integrate equity, diversity and inclusion (EDI) principles across all aspects of research life within the University	<ul style="list-style-type: none"> - Number of Development Workshops: 26 - Number Advising Requests: 213 	<ul style="list-style-type: none"> - Streamlining Support through General and Program Specific Equity, Diversity and Inclusion Workshops
