

Macdonald Campus Farm Cattle Complex
Standard Operating Procedure # DC-A-6C

LAMENESS SCORING RECORD FOR DAIRY COW

- ASSESS** all the cows in the herd or research group.
- EXAMINE** each of the areas as described in the SOP - Lameness Scoring for Dairy Cows.
- RECORD** the scores as per SOP - Lameness Scoring for Dairy Cows.

Assessor name: _____

Date: _____

Gait Scoring: **A**=Acceptable (score 1-2), **M**= Mild/Moderate (score 3), **R**= Requires corrective action (score 4-5)

Stall lameness scoring: **A**= Acceptable, **R**= Requires corrective action

Commented [SBD1]: Again, should the corrective action to be taken be described somewhere?

Cow ID #	Stall Lameness Scoring					Gait Scoring		Corrective Action/ Comment
	Edge	Weight Shift	Uneven Weight	Uneven Movement	Obviously or Severely Lamé	Scale 1 to 5	Score A/M/R
