National Multiple Sclerosis Society | Research Grants

Sponsor Pre-Application Deadline: July 25, 2018
Sponsor Full Application Deadline: August 1, 2018
OSR internal deadline with mandatory OSR checklist: July 25, 2018

Objective:
The Society welcomes investigator-initiated applications for support of studies with high relevance to multiple sclerosis and the Society’s research priorities. The Society supports fundamental as well as applied studies, non-clinical or clinical in nature, including projects in patient management, care and rehabilitation. To be considered for funding, all projects must show relevance to the Society’s research priorities.

Value and Duration:
One-year to five-year grants

Eligibility:
It is expected that the person indicated as the principal investigator in an application for a grant is the one who is personally and actively responsible for the conduct of the research and who is considered eligible by his or her institution to apply for a research grant. The principal investigator need not be a United States citizen.

Application guideline:
Please see here for the application guidelines.
