

ImageXpress HCS.ai

Our Next Generation imaging system

Date: Tuesday, November 4th 2025.

Time: 10:00am – 11:00am

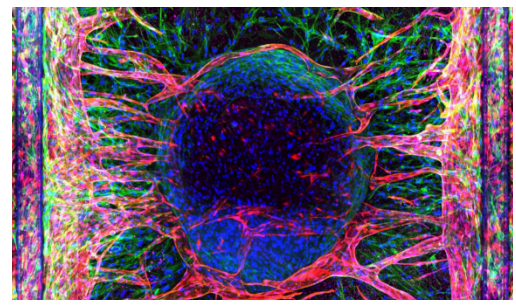

Attend in-person: McIntyre building room 335

Or join virtually: [Join the meeting now](#)

Meeting ID: 235 806 590 773 9

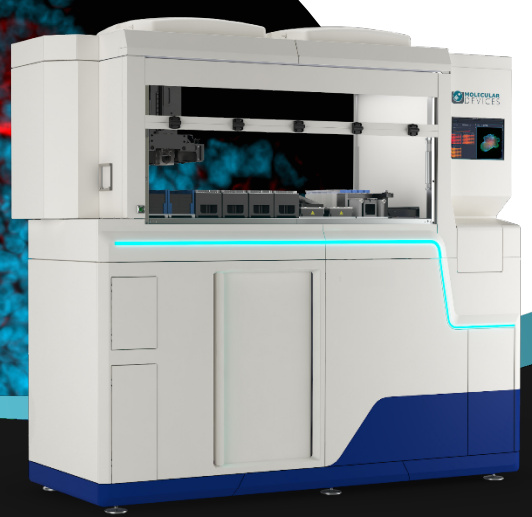

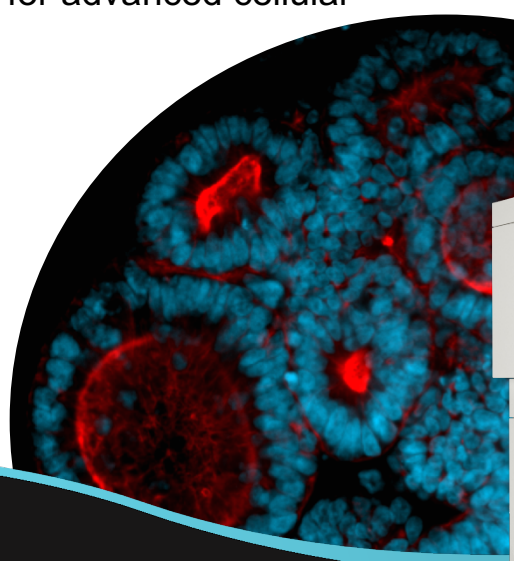

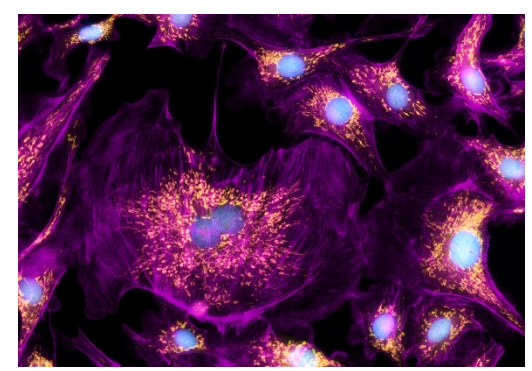

Passcode: Mv7nq6zF

Molecular Devices will be at McGill University!

If you're increasing your use of complex biological systems such as **spheroids**, **organoids**, and **CNS models**, there are innovative end-to-end workflow solutions that can save time and improve data quality.

Come learn about our latest innovations including AI based software solutions for advanced cellular

Snacks will be served!

For Research Use Only. Not for use in diagnostic procedures.
