

McGill

**Biochemistry
Department**

**Département de
biochimie**

Summer Workshop on **Proteomics**

for McGill and non-McGill Scientists

Instructor: Kurt Dejgaard, PhD

Join us and learn

- BioID, IP, TiO₂
- Protein enrichment strategies (streptavidin, FLAG, phosphoproteins)
- Mass spectrometry analysis
- Instructor-assisted analysis of bioinformatics data

Two sessions are available

- Aug 10 – 14 2026, 9 AM – 5 PM
- Aug 17 – 21 2026, 9 AM – 5 PM

at McGill's McIntyre Medical Building, Room 910

Registration: <https://event.fourwaves.com/proteomicsworkshopmcgill>

Deadline: Aug 3rd 2026, 5 PM.

Fees: 750 \$/participant (+Tx)

Contact: maxime.denis@mcgill.ca
