Course Activities	<ul style="list-style-type: none"> MW - Seminar 					
Course Title	<table border="1"> <tr> <td>Course Title on Transcript</td> <td>Research Project & Seminar</td> </tr> <tr> <td>Course Title on Calendar</td> <td>Research Project and Seminar.</td> </tr> </table>	Course Title on Transcript	Research Project & Seminar	Course Title on Calendar	Research Project and Seminar.	
Course Title on Transcript	Research Project & Seminar					
Course Title on Calendar	Research Project and Seminar.					
Rationale		There is currently some confusion about the requirement to participate in the poster session since it does not appear in the course description. We want to make this requirement explicit in the course description to eliminate future confusion.				
Responsible Instructor						
Course Description	Under supervision of an adviser approved by the Department, students design and carry out a research project. Students report their research in seminars throughout the year and in a final written report.	Under supervision of an adviser approved by the Department, students design and carry out a research project. Students report their research in seminars throughout the year, in a final written report that takes the form of a data-based APA style manuscript, and in a poster presentation at the departmental poster session.
