Rationale		To reduce our masters programs from 48 to 45 credits, we are reducing Geog631, our year long Intro. grad seminar from 6 credits to 3. No other changes. This change also affects the total credits in our PhD program (which reduce from 12 to 9). 631D1 and N1 will each become 0 credits and 631D2 and N2 will remain 3 credits.
