**BIOL301 (Fall or Winter) Cell and Molecular Laboratory**

Enrollment in this course is limited. Departmental approval for BIOL 301 (Fall or Winter) must be obtained from the Biology Department by e-mailing tamara.western@mcgill.ca prior to registering in Minerva. Make sure to include in your e-mail to Prof. Western: student ID number, the semester (Fall or Winter) and two lab day choices (M, T, W or R).

Prerequisites are strictly enforced: **BIOL 200, BIOL 201 (or ANAT 212/BIOC 212); or BIOL 219.**

Content: One 1-hr lecture and one 6-hr laboratory period per week.
