The Child Center for Development and Mental Health at the Jewish General Hospital and McGill’s School of Communication Sciences and Disorders are looking to replace a Speech-Language Pathologist for the 2019 Spring/Summer Semester (end of April to mid-July).

Responsibilities:
• Provide S-LP services in English, to children attending the Early Childhood Disorder day hospital over 12 weeks (2 days a week)
• Determine, prioritize and manage caseload needs
• Collaborate with the interdisciplinary team
• Meet and consult with caregivers
• Mentor up to two Master’s S-LP students

Requirements & experience:
• OOAQ Membership (Ordre des orthophonistes et audiologistes du Québec)
• At least 2 years of experience working as an S-LP

Assets:
• Experience working with school-aged children
• Demonstrated ability to work within an interdisciplinary team

Salary and schedule:
• Spring/summer semester (end of April to mid-July):
  o 2 days per week for 12 weeks; (days of the week can be flexible but no services can be provided on Wednesdays)
  o 2 additional days to organize services
  o The S-LP will be compensated for a total of 26 days
• Compensation will be competitive with the top of the Public Sector Scale

Please send your CV and letter of interest to AEC at academicaffairs.aec11@mcgill.ca and the clinical education team at practicum.scsd@mcgill.ca by March 1, 2019

McGill University is committed to equity in employment and diversity. It welcomes applications from Aboriginal persons, persons with disabilities, ethnic minorities, persons of minority sexual orientation or gender identity, visible minorities, women, and others who may contribute to diversification. All qualified applicants are encouraged to apply; however, Canadians and permanent residents will be given priority.
