The following course and program proposals have been approved by Fiona Lees, Enrolment Services, on behalf of SCTP. Highlighted text in pink are queries to/information for units.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions
Faculty of Agricultural and Environmental Sciences
Department of Natural Resource Sciences

B.Sc.(Ag.Env.Sc.); Specialization in Applied Ecology (24 cr.) – complementary course added. Rationale: Provide another dimension of an area that will enhance pedagogy of the specialization.

Department of Plant Science

B.Sc.(Ag.Env.Sc.); Specialization in Soil and Water Resources (24 cr.) – required course deleted; required courses added; note removed from list of required courses; required courses credits increased; complementary courses deleted; complementary courses added; separate lists of complementary courses consolidated into one list; note added. Rationale: Updates to courses. Course credits were not correctly listed in the program.

Faculty of Education
Department of Integrated Studies in Education

Certificate in Education First Nations and Inuit (60 cr.) – description, how complementary courses to be chosen revised, complementary courses number and title changes, complementary courses deleted, complementary courses added, streams specified. Rationale: Response to the needs and request of the Cree School Board. ES Comments/Corrections: Will there be issues when reporting to MELS concerning which stream students choose, or will the courses taken make their area of specialization obvious?

B.Ed. in Teaching English as a Second Language; TESL Elementary and Secondary (120 cr.) – required course added, required courses credits increased, complementary courses deleted, complementary courses added, number of credits of English and other complementary courses to be chose decreased, how courses to be chosen revised, complementary courses credits decreased. Rationale: More specific methods courses needed.

Certificat d’études supérieures en pédagogie de l’immersion française (15 cr.) – program title, required course deleted, required courses credits decreased, complementary courses added, complementary courses credits increased. Rationale: Program title revised to clarify the focus of the program; courses added to avoid the possibility of no courses offered in any term. ES Comments/Corrections: revise rationale to indicate that the existing “Certificat d’études supérieures en enseignement immersif” will be retired via this proposal. ES agreed to revise the effective date to 201501 because there are currently no students in this new program.

B.Ed. in Kindergarten and Elementary Pédagogie de l’immersion française (120 cr.) – required courses deleted, required courses added, descriptive sentence within list of required course revised. Rationale: Updates to courses. ES Comments/Corrections: required courses credits correct at 93, therefore revise list of required courses accordingly. According to rationale, EDEE 325 was to be added to list of complementary courses but it does not appear within that group. Was this an oversight?

B.Ed. in Kindergarten and Elementary; Jewish Studies (120 cr.) – required courses deleted, required courses added. Rationale: Updates to courses. ES Comments/Corrections: According to rationale, EDEE 325 was to be added to list of complementary courses but it does not appear within that group. Was this an oversight?

B.Ed. in Kindergarten and Elementary Education (120 cr.) - required courses deleted, required courses added, complementary courses description paragraph deleted. Rationale: Updates to courses. ES Comments/Corrections: Delete from rationale that EDEE 325 is being added to list of complementary courses, as it is already within that group.

M.A. in Teaching and Learning; Non-Thesis - Science and Technology (60 cr.) – required course deleted, required courses credits decreased, complementary courses added, how complementary courses to be chosen revised, complementary courses credits increased. Rationale: To provide students more flexibility.
SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions [continued]

M.A. in Teaching and Learning; Non-Thesis – Mathematics (60 cr.) – required course deleted, required courses credits decreased, complementary courses added, how complementary courses to be chosen revised, complementary courses credits increased. Rationale: To provide students more flexibility.

Ph.D. in Educational Studies; Mathematics and Science Education (0 cr.) – description, complementary courses added, how complementary courses to be chosen, complementary courses credits increased, elective courses credits specified. Rationale: Courses added to meet students’ needs in areas of interest. Secretary’s note: GPS consulted - the existing description can be replaced [as per Associate Dean Nilson].

Department of Kinesiology and Physical Education

B.Ed. in Physical and Health Education (120 cr.) – required courses deleted, required courses added, required courses title and credit weight changes, required courses credits increased, how complementary courses to be chosen revised, complementary courses credits decreased. Rationale: Improve students’ ability to make links between theory and teaching practice; updates to courses. ES Comments/Corrections: Is this just a partial listing of the program - has the 15 credits of Electives been omitted or deleted?

Retirements

Faculty of Education
Department of Integrated Studies in Education
