

REPORT 5 FROM ENROLMENT SERVICES (ES) TO SCTP [2014-2015]  
SCTP meeting date: January 15, 2015

The following course and program proposals have been approved by Fiona Lees, Enrolment Services, on behalf of SCTP. Highlighted text in pink are queries to/information for units.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Agricultural and Environmental Sciences

School of Dietetics and Human Nutrition

**M.Sc.(Applied) in Human Nutrition; Non-Thesis – Dietetics Credentialing** (83 cr.) – description, a required course deleted, required-course credits decreased, how complementary courses chosen revised, complementary courses added, elective-course credits added, and how elective courses chosen indicated. *Rationale:* Updates to courses to provide a broader perspective. *ES Comments/Corrections:* Correct listing of existing complementary courses and how they are listed – see the GPS eCalendar for correct listing; indicate Complementary courses as “9 credits”; revise elective courses sentence to read “To be chosen, at the 500 level or higher, in consultation ...”

Department of Bioresource Engineering

**B.Eng.(Bioresource); Major in Bioresource Engineering** (113 cr.) – a required course deleted, a required course added, complementary courses added. *Rationale:* Updates to courses to remain relevant and to streamline teaching activities. Expertise of new professors in the Department reflected in the program. *ES Comments/Corrections:* Note that CHEE 315 decreased in credit weight from 4 to 3 as of 201209 – revise existing and proposed columns to correct the credit weight for this course;

**B.Eng.(Bioresource); Major in Bioresource Engineering; Professional Agrology** (113 cr.) – a required course deleted, a required course added, complementary courses added. *Rationale:* Updates to courses to remain relevant and to streamline teaching activities. Expertise of new professors in the Department reflected in the program. *ES Comments/Corrections:* Note that CHEE 315 decreased in credit weight from 4 to 3 as of 201209 – revise existing and proposed columns to correct the credit weight for this course;

McGill School of Environment

**B.Sc.(Ag.Env.Sc.); Major in Environment; Biodiversity and Conservation** (63 cr.) – complementary courses deleted, complementary courses added, how complementary courses chosen revised. *Rationale:* Updates to courses. *ES Comments/Corrections:* Verify course titles in Banner of added courses – some titles are incorrect [example: BIOL 451, NRSC 451]. Also, indicate the credit weight for each added course. ENTO 340 was omitted from rationale of addition of courses;

**B.Sc.; Major in Environment; Biodiversity and Conservation** (63 cr.) – complementary courses deleted, complementary courses added, how complementary courses chosen revised. *Rationale:* Updates to courses. *ES Comments/Corrections:* Verify course titles in Banner of added courses – some titles are incorrect [example: BIOL 451, NRSC 451]. Also, indicate the credit weight for each added course. ENTO 340 was omitted from rationale for addition of courses.

Faculty of Arts

Department of Linguistics

**B.A.; Major Concentration in Linguistics** (36 cr.) – complementary courses deleted, how complementary courses chosen revised. *Rationale:* Specific list of complementary courses to be chosen from has been removed to avoid confusion;

**B.A.; Honours in Linguistics** (60 cr.) - complementary courses deleted, how complementary courses chosen revised. *Rationale:* Specific list of complementary courses to be chosen from has been removed to avoid confusion;

**B.A.; Joint Honours – Linguistics Component** (36 cr.) - complementary courses deleted, how complementary courses chosen revised. *Rationale:* Specific list of complementary courses to be chosen from has been removed to avoid confusion;

**B.A.; Minor Concentration in Linguistics** (18 cr.) - complementary courses deleted, how complementary courses chosen revised. *Rationale:* Specific list of courses to be chosen from has been removed to avoid confusion;

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Arts [continued]

Department of Art History and Communication Studies

**B.A.; Major Concentration in Art History** (36 cr.) – how complementary courses to be chosen revised, separate groups of complementary courses revised into one group, complementary courses added. *Rationale:* Group headings of courses removed because they no longer reflect the current state of the field and the intellectual goals of the Department. Courses updated;

**B.A.; Honours in Art History** (60 cr.) – how complementary courses to be chosen revised, separate groups of complementary courses revised into one group, note added to complementary courses, complementary courses added. *Rationale:* Group headings of courses removed because they no longer reflect the current state of the field and the intellectual goals of the Department. Courses updated;

**B.A.; Joint Honours - Art History Component** (36 cr.) – how complementary courses to be chosen revised, separate groups of complementary courses revised into one group, note added to complementary courses, complementary courses added. *Rationale:* Group headings of courses removed because they no longer reflect the current state of the field and the intellectual goals of the Department. Courses updated.

McGill Institute for the Study of Canada

**B.A.; Minor Concentration in Indigenous Studies** (18 cr.) – complementary courses added. *Rationale:* ?? **ES**  
*Comments/Corrections:* Program's full title and credit weight need to be indicated, indicate a rationale, and indicate an effective date.

Institute for Gender, Sexuality, and Feminist Studies

School of Computer Science/Faculty of Science

**B.A.; Major Concentration in Software Engineering** (36 cr.) – complementary course added. *Rationale:* Update to courses. **ES** *Comments/Corrections:* Effective date revised to "201509".

School of Continuing Studies

Department of Career and Professional Development

**Certificate in Health & Social Services Mgmt** (30 cr.) – note added, program prerequisite course added, program corequisite course added, required course deleted, required course added. *Rationale:* Updates to courses.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions [continued]

Faculty of Medicine

**M.D.,C.M.** (199-203) – description, program credit weight increased, headings added to required courses and separated into individual lists, required courses' credit weights revised, required courses' titles revised, required courses deleted, required courses added, required-course credits increased, complementary courses deleted, complementary course credits deleted. *Rationale:* Revisions based on recommendations from the Faculty of Medicine Strategic Planning. *ES Comments/Corrections:* Correct course titles in proposed column for the following courses: INDS 423, INDS 426, INDS 424.

Department of Pharmacology and Therapeutics

**M.Sc. in Pharmacology and Therapeutics** (45 cr.) – required courses added, complementary courses added, how complementary courses chosen revised. *Rationale:* Updates to courses and program content. *ES Comments/Corrections:* Is this a program title change? The proposal does not reflect the program's correct title – see GPS eCalendar. Is the program description being revised? If so, the existing description needs to be included in box 6.0. "One addition 700-level PHAR course ..." indicated in required courses should be listed in complementary courses because students will have a choice. Program requirements omitted from existing list of complementary courses;

**Ph.D. in Pharmacology and Therapeutics** (0 cr.) – required courses added, complementary courses added, how complementary courses chosen revised. *Rationale:* Updates to courses and program content. *ES Comments/Corrections:* Is this a program title change? The proposal does not reflect the program's correct title. Is the program description being revised? If so, the existing description needs to be included in box 6.0. "One addition 700-level PHAR course ..." indicated in required courses should be listed in complementary courses because students will have a choice. Existing program requirements not correctly listed – see the GPS eCalendar for the correct program requirements.

Faculty of Science

Dean's Office

**B.Sc.; Freshman Program** (30 cr.) – complementary course added. *Rationale:* Educate freshman students in the area of study, and increase the student enrolment in the B.Sc. Geography programs.

School of Computer Science

**B.A. & Sc.; Major Concentration in Software Engineering** (37 cr.) - complementary course added. *Rationale:* Update to courses. *ES Comments/Corrections:* Effective date revised to read "201509";

**B.Sc.; Major in Computer Science** (60-63 cr.) – how complementary courses chosen revised. *Rationale:* Mention of a course that may be of interest to these students. *ES Comments/Corrections:* Effective date revised to read "201509";

**B.Sc.; Honours in Computer Science** (72-75 cr.) – how complementary courses chosen revised. *Rationale:* Mention of a course that may be of interest to these students. *ES Comments/Corrections:* Effective date revised to read "201509";

**BSc.; Major in Software Engineering** (60-63 cr.) – complementary course added, how complementary courses chosen revised. *Rationale:* Update to courses. *ES Comments/Corrections:* Effective date revised to read "201509";

**B.Sc.; Honours in Software Engineering** (72-75 cr.) – complementary course added. *Rationale:* Update to courses. *ES Comments/Corrections:* Effective date revised to read "201509";

**B.Sc.; Liberal Program: Core Science Component in Software Engineering** (49 cr.) – complementary course added. *Rationale:* Update to courses. *ES Comments/Corrections:* Effective date revised to read "201509".

Departments of Biology, Physiology, Psychology/Faculty of Medicine

**B.Sc.; Minor in Neuroscience** (24-25 cr.) – program credit weight decreased, required course deleted, required-course credits decreased, complementary courses added, notes added to complementary courses, how complementary courses chosen revised, complementary-course credits increased. *Rationale:* Updates to courses, to ensure that students achieve the desired breadth within the discipline.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Science [continued]

Department of Chemistry

**B.Sc.; Major in Chemistry** (59 cr.) – required courses deleted, required course added, required-course credits decreased, how complementary courses chosen revised, complementary-course credits increased. *Rationale:* Updates to courses;

**B.Sc.; Honours in Chemistry** (71 cr.) – required courses deleted, required course added, required-course credits decreased, how complementary courses chosen revised, complementary courses credits increased. *Rationale:* Updates to courses;

**B.Sc.; Major in Chemistry; Bio-Organic** (63 cr.) – required courses deleted, required courses added, required-course credits decreased, complementary courses added, how complementary courses chosen revised, complementary-course credits increased. *Rationale:* Updates to courses. *ES Comments/Corrections:* Obtain a consultation from the Department of Physics;

**B.Sc.; Honours in Chemistry; Bio-Organic** (75 cr.) – required courses deleted, required courses added, complementary course deleted, complementary courses added. *Rationale:* Updates to courses. *ES Comments/Corrections:* Obtain a consultation from the Department of Physics; should the second group of complementary courses read “9” credits and the last group read “3” credits? Confirmation needed from the Department of Chemistry;

**B.Sc.; Major in Chemistry; Materials** (62 cr.) – required courses deleted, required course added, required-course credits decreased, complementary courses added, complementary-course credits increased. *Rationale:* Updates to courses;

**B.Sc.; Honours in Chemistry; Materials** (74 cr.) – required courses deleted, required course added, required-course credits decreased, complementary course added, complementary-course credits increased. *Rationale:* Updates to courses.

Department of Pharmacology and Therapeutics/Faculty of Medicine

**B.Sc.; Minor in Pharmacology** (24 cr.) – program requirements text revised, required courses deleted, required-course credits decreased, complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary-course credits increased, one complementary course title and number changed. *Rationale:* Course updates to provide more choices to students in their final year. *ES Comments/Corrections:* Correct title for PHAR 562; it is recommended to remove the breakdown of courses by year to avoid unnecessary revision proposals in the future and to be consistent with the majority of program listings in the Calendars [breakdown by year may be maintained by the Department for advising purposes]; confirmation needed from the Department;

**B.Sc.; Major in Pharmacology** (67 cr.) – program credit weight increased, description, required courses deleted, required courses added, required-course credits decreased, note added to list of required courses, complementary courses added, how complementary courses chosen revised, complementary-course credits increased. *Rationale:* Course updates to provide more choices to students in their final year. *ES Comments/Corrections:* Revise proposed description to read “This ... and every year thereafter to ...”; correct title for PHAR 562; it is recommended to remove the breakdown of courses by year to avoid unnecessary revision proposals in the future and to be consistent with the majority of program listings in the Calendars [breakdown by year may be maintained by the Department for advising purposes]; confirmation needed from the Department;

**B.Sc.; Honours in Pharmacology** (76 cr.) – program credit weight increased, required courses deleted, required courses added, required-course credits decreased, note added to list of required courses, complementary courses added, how complementary courses chosen revised, complementary-course credits increased. *Rationale:* Course updates to provide more choices to students in their final year. *ES Comments/Corrections:* Correct title for PHAR 562; it is recommended to remove the breakdown of courses by year to avoid unnecessary revision proposals in the future and to be consistent with the majority of program listings in the Calendars [breakdown by year may be maintained by the Department for advising purposes]; confirmation needed from the Department.
