M.Eng. in Biological and Biomedical Engineering (45 cr.) – how complementary courses chosen revised. *Rationale:* Due to the limited number of 500-level BIEN courses available, a requirement concerning 3 credits of BIEN courses has been eliminated [to be revisited in 2 years].

D.C.L. (0 cr.) – title revised for a required course, credit weight increased for a required course, credit weight decreased for a required course, required courses added, required credits increased, complementary course deleted, complementary courses added, complementary credits decreased. *Rationale:* Update to program content. **ES Comments/Corrections:**

Adjust complementary credits to read “0-2 credits”. **SCTP Comments/Corrections:** Remove “Civil Law” from box 1.1.

D.C.L. in Air and Space Law (0 cr.) – title revised for a required course, credit weight increased for a required course, credit weight decreased for a required course, required courses added, required credits increased, complementary course deleted, complementary courses added, complementary credits decreased. *Rationale:* Update to program content.

Adjust complementary credits to read “0-2 credits”. **SCTP Comments/Corrections:** Remove “Civil Law” from box 1.1 and indicate “Air and Space Law”.

Ph.D. in Music; Gender, Sexuality, and Feminist Studies (0 cr.) – concentration title, description, program note added, how complementary courses chosen revised. *Rationale:* Updates to other Ph.D. areas of study to bring all in line with current practices. Concentration/option tile change corresponds to the coordinating Institute’s name change.

ES Comments/Corrections: **Program [concentration/option] title revision not approved at this time** because no other graduate option in this subject has revised its title – one program cannot adopt a new option name if the coordinating committee for this option has not yet asked for the other program titles to revise this option title also.

Program title remains: Ph.D. in Music; Gender and Women’s Studies. Correct complementary-course paragraph to read “12-27 credits of courses, at the ...”
