

REPORT 10 FROM ENROLMENT SERVICES (ES) TO SCTP [2015-2016]

SCTP meeting date: April 7, 2016

The following course and program proposals have been approved by Fiona Lees, Enrolment Services, on behalf of SCTP. Highlighted text in pink are queries to/information for units.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Engineering

B.Eng. in Mining Engineering Co-op (150-151 cr.) – program credit weight revised, asterisks added to two required courses, required-course note added, required credits decreased, complementary course deleted, complementary course added, how complementary courses chosen revised, complementary credits increased. *Rationale:* Updates to courses, and revisions will provide flexibility. *ES Comments/Corrections:* MIME 413 and MIME 425 may only remain is list of required courses if content of both are almost identical in content – write-offs from the instructors needed for confirmation; if they are not almost identical in content, then move these courses to list of complementary courses indicated as “3-6 credits from the following ...” [listing both courses] – complementary courses may also be considered core courses but with a choice.

Graduate and Postdoctoral Studies/Faculty of Engineering

M.Eng. in Electrical Engineering; Non-Thesis (45 cr.) – description, program credit weight decreased, credit weight of two required courses decreased, required research project credits revised, complementary credits revised, how complementary courses chosen revised, program note revised. *Rationale:* Research component revised to ensure consistency for all students; terminology throughout requirements revised to indicate number of credits instead of courses;

M.Eng. in Electrical Engineering (46 cr.) – description, complementary-course note revised, how complementary courses chosen revised. *Rationale:* Terminology throughout requirements revised to indicate number of credits instead of courses.

Faculty of Medicine

B.Sc.(Rehab.Sc.); Major in Occupational Therapy (90 cr.) – a 0-credit required course added. *Rationale:* Added course provides student with knowledge, application of professional competency roles, and learning tools needed for other courses in the program; *ES Comments/Corrections:* Indicate program credit weight as “90 credits”; indicate added course as D1/D2 as per course proposal;

B.N. (Integrated Nursing) (67 cr.) – a required course deleted, required courses added, title revised for a required course, program note deleted. *Rationale:* Updates to courses; to ensure the Interprofessional Education Activity courses are taken before graduation, specific 0-credit courses added to program to replace program note;

B.Sc.(N.) (139 cr.) – 0-credit required courses added, program note deleted. *Rationale:* To ensure the Interprofessional Education Activity courses are taken before graduation, specific courses added to program to replace program note.

Retirements

None.
