URBP 514 Community Design Workshop (3 cr.) [PRN 15930] – credit weight, hours per week, supplementary info.

Secretary's comments/corrections: The hours per week need to be revised in the Course Activities box, and each schedule type's **existing** hours per week need to be indicated within the rationale;

ARCH 514 Community Design Workshop (3 cr.) [PRN 15929] – credit weight, hours per week, supplementary info.

Secretary's comments/corrections: The hours per week need to be revised in the Course Activities box, and each schedule type's **existing** hours per week need to be indicated within the rationale;

ARCH 683 Directed Research Project (9 cr.) [PRN 16002] – **course activities/schedule types**, hours per week, description, prerequisites, restriction, supplementary info. Secretary's comments/corrections: The hours per week need to be revised in the Course Activities box, and each schedule type's **existing** hours per week need to be indicated within the rationale; if there are no hours per week of Lecture, then remove that schedule type/course activity and provide a rationale;

ARCH 684 Contemporary Theory 1 (3 cr.) [PRN 15926] – credit weight, course activities/schedule types, hours per week, description, prerequisites, restriction, supplementary info. Secretary's comments/corrections: Remove affected program information, as the program specified is concurrently being revised – instead, check the box that indicates this; indicate each schedule type's **existing** hours per week within the rationale; because the M.Sc. program does not yet exist, revise restriction to read “**Only open to students enrolled in a Master's program offered by the School**”;

ARCH 685 Contemporary Theory 2 (3 cr.) [PRN 15927] – credit weight, course activities/schedule types, hours per week, description, prerequisites, restriction, supplementary info. Secretary's comments/corrections: Remove affected program information, as the program specified is concurrently being revised – instead, check the box that indicates this; indicate each schedule type's **existing** hours per week within the rationale; because the M.Sc. program does not yet exist, revise restriction to read “**Only open to students enrolled in a Master's program offered by the School**”;
