

## REPORT 12 FROM ENROLMENT SERVICES (ES) TO SCTP [2016-2017]

SCTP meeting date: May 4, 2017

The following course and program proposals have been approved by Fiona Lees, Enrolment Services, on behalf of SCTP. **Highlighted text in pink are queries to/information for units.**

### SECTION A: APPROVED PROGRAMS

#### Minor and Moderate Revisions

Faculty of Agricultural and Environmental Sciences

**B.Sc.(Ag.Env.Sc.); Specialization in Wildlife Biology** (24 cr.) – program credit weight increased, required course deleted, required courses added, required credits increased, complementary courses deleted, complementary courses added, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Updates to courses. *ES Comments/Corrections:* As per Associate Dean Scott, the following sentence was added to list of complementary courses “**Note: A 2-credit course may replace one of the complementary courses with permission of the advisor.**”

**B.Sc.(Ag.Env.Sc.); Specialization in Applied Ecology** (24 cr.) – complementary course added. *Rationale:* Provide students with a greater choice of courses in the last year of their program.

Faculty of Arts

**B.A.; Major Concentration in Psychology** (36 cr.) – how complementary courses chosen revised. *Rationale:* Current text in program is ambiguous, so it is clearly indicated at which levels students may choose their courses. Also, two typos are being corrected. *ES Comments/Corrections:* Effective term revised to **201709** because no one is admitted in the summer, nor can curriculum be changed in the summer.

**B.A. & Sc.; Major Concentration in Psychology** (36 cr.) – how complementary courses chosen revised. *Rationale:* Current text in program is ambiguous, so it is clearly indicated at which levels students may choose their courses. Also, two typos are being corrected. *ES Comments/Corrections:* Effective term revised to **201709** because no one is admitted in the summer, nor can curriculum be changed in the summer.

**B.A. & Sc.; Joint Honours – Political Science Component** (36 cr.) – description, required course added, title revised for a required course, how required courses chosen revised, required credits increased, how complementary courses chosen revised, complementary-course note deleted, a complementary-course note revised, complementary credits decreased. *Rationale:* Improvements to the undergraduate methods training.

School of Continuing Studies

**Professional Development Certificate in Business Analysis** (33-35.5 CEUs) – program CEU weight increased, CEU weight increased for a complementary course, complementary credits increased. *Rationale:* The number of hours increased for a complementary course, therefore increasing the course’s CEU weight.

**Professional Development Certificate in Business Valuation** (43-43.5 CEUs) – program CEU weight increased, CEU weight increased for a complementary course, how complementary credits chosen revised, complementary credits increased. *Rationale:* The number of hours increased for a complementary course, therefore increasing the course’s CEU weight.

**Professional Development Certificate in Project Management** (33-45 CEUs) – program CEU weight increased, CEU weight increased for a required course, required credits increased. *Rationale:* The number of hours increased for a complementary course, therefore increasing the course’s CEU weight.

Faculty of Engineering

**B.Eng.; Major in Bioengineering** (141-151 cr.) – complementary courses deleted, complementary courses added, text on language courses removed. *Rationale:* Updates to courses, and to avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Chemical Engineering** (143-146 cr.) – program credit weight increased, credit weight increased for a required course, required credits increased, text on language courses removed. *Rationale:* Update to a course, and to avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Civil Engineering** (139 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Computer Engineering** (133-140 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Engineering [continued]

**B.Eng. in Electrical Engineering** (134-139 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng.; Honours Electrical Engineering** (138-140 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**Bachelor of Software Engineering (B.S.E.)** (137-144 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Mechanical Engineering** (142-148 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng.; Honours in Mechanical Engineering** (142-148 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Materials Engineering Co-op** (148 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng.; Major in Mining Engineering** (144-145 cr.) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

**B.Eng. in Mining Engineering Co-op** (150-151 credits) - text on language courses removed. *Rationale:* To avoid confusion on determining which language courses can count toward the program.

Graduate and Postdoctoral Studies

**M.Sc.(A.) in Biotechnology; Non-Thesis** (45 cr.) – required course added, required credits increased, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Required course on ethics added so students no longer need to find one as a complementary course.

**M.A. in Second Language Education; Non-Thesis** (45 cr.) – required course deleted, required course added, complementary courses deleted, complementary courses added, title revised for a complementary course. *Rationale:* Updates to courses.

**M.A. in Second Language Education** (45 cr.) – required course added, required credits increased, complementary courses deleted, complementary course added, title revised for a complementary course, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Updates to courses.

**M.A. in Second Language Education; Gender and Women’s Studies** (45 cr.) - required course added, required credits increased, complementary course deleted, complementary course added, title revised for a complementary course, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Updates to courses.

**LL.M. in Law; Non-Thesis - European Studies** (46-47 cr.) – program credit weight revised, required courses added, credit weight decreased for a required course, required credits increased, complementary course deleted, how complementary courses chosen revised, complementary credits revised. *Rationale:* Updates to courses. **ES**

*Comments/Corrections:* If students choose to take two 3-credit complementary courses, then the complementary credits increase to “8-9 credits” and the program’s credit weight should read “46-47”.

**M.Sc.(A.) in Communication Sciences and Disorders; Non-Thesis - Speech-Language Pathology** (82 cr.) – program credit weight increased, required course added, required credits increased. *Rationale:* Program content updated. **ES Comments/Corrections:** Why is the effective date not 201709? If 201801 used, the old program requirements will be published in the 2017-2018 eCalendar, which is based on 201709-effective programs.

Faculty of Medicine

**B.Sc.(Rehab.Sc.); Major in Physical Therapy** (90 cr.) – required course added, required credits increased, complementary course deleted, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Course moved from complementary to required to ensure all students take the specific course.

**B.Sc.(Rehab.Sc.); Major in Occupational Therapy** (90 cr.) – required course added, required credits increased, complementary course deleted, how complementary courses chosen revised, complementary credits decreased. *Rationale:* Course moved from complementary to required to ensure all students take the specific course.

## REPORT 12 FROM ES TO SCTP – May 4, 2017
