

REPORT 2 FROM THE ASSOCIATE PROVOST (TEACHING AND ACADEMIC PROGRAMS) TO SCTP  
[2021-2022]

SCTP meeting date: October 7, 2021

The following course and program proposals have been approved by Associate Provost Chris Buddle, SCTP Chair, on behalf of SCTP. **Highlighted entries in pink are queries to/information for units.**

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Agricultural and Environmental Sciences

**B.Sc.(Ag.Env.Sc.); Minor in Agribusiness Entrepreneurship** (18 cr.) – a required course deleted, a required course added, complementary courses deleted, complementary courses added. *Secretary's comments/corrections:* Retain the "6 credits from the following" guidance for students within the list of complementary courses.

**B.Eng.(Bioresource); Major in Bioresource Engineering** (113 cr.) – a required course deleted, a required course added, complementary courses deleted, complementary courses added, number revised for a complementary course, complementary-course note added. *Secretary's comments/corrections:* Consider proposing a program description in future, as none is indicated within the eCalendar; indicate full program title in box 1.4; do not use bold for changes/additions in proposed column – use underlining on all changes; delete "Proposed program fall 2021" at the beginning of the side-by-side comparison; correct Set A complementary courses to read number of credits – not the number of courses, and adjust the credits, as one course is 4 credits – this may affect the program's credit weight; delete numbers before Required and Complementary headings; include omitted text following complementary courses in the existing column – use strikethrough it if is being removed; obtain a consultation from Plant Science to add their course PLNT 300; please consider retiring any courses being removed if they will no longer be offered.

**B.Eng.(Bioresource); Honours in Bioresource Engineering** (113 cr.) – a required course deleted, a required course added, complementary courses deleted, complementary courses added, number revised for a complementary course, complementary-course note added. *Secretary's comments/corrections:* Correct existing and proposed required and complementary course credits, as the Honours courses should be listed within the complementary course section; indicate full program title in box 1.4; do not use bold for changes/additions in proposed column – use underlining on all changes; uncheck "Major" in box 1.3; delete "Proposed program fall 2021" at the beginning of the side-by-side comparison; correct Set A complementary courses to read number of credits – not the number of courses, and adjust the credits, as one course is 4 credits – this may affect the program's credit weight; delete numbers before Required and Complementary headings; obtain a consultation from Plant Science to add their course PLNT 300; please consider retiring any courses being removed if they will no longer be offered.

**B.Eng.(Bioresource); Major in Bioresource Engineering; Professional Agrology** (113 cr.) – a required course deleted, a required course added, complementary courses deleted, complementary courses added, number revised for a complementary course, complementary-course note added. *Secretary's comments/corrections:* Consider proposing a program description in future, as none is indicated within the eCalendar; indicate full program title in box 1.4; do not use bold for changes/additions in proposed column – use underlining on all changes/additions; delete "Proposed program fall 2021" at the beginning of the side-by-side comparison; correct Set A complementary courses to read number of credits – not the number of courses, and adjust the credits, as one course is 4 credits – this may affect the program's credit weight; delete numbers before Required and Complementary headings; include omitted text following complementary courses in the existing column – use strikethrough it if is being removed; obtain a consultation from Plant Science to add their course PLNT 300.

Graduate and Postdoctoral Studies

Schulich School of Music

**Ph.D. in Music (Composition, Music Education, Musicology, Music Technology, Sound Recording, Theory, Interdisciplinary Studies)** (0 cr.) – Language Reading Requirements text revised.

**Ph.D. in Music; Gender and Women's Studies** (0 cr.) - Language Reading Requirements text revised.

Desautels Faculty of Management

**B.Com.; Minor in Finance (for Non-Management Students)** (18 cr.) – complementary courses deleted, how complementary courses chosen revised. *Secretary's comments/corrections:* Revise complementary-course text to read "9 credits ... other undergraduate FINE course."
