

SCTP meeting date: December 1, 2016

The following course and program proposals have been approved by Fiona Lees, Enrolment Services, on behalf of SCTP. **Highlighted text in pink are queries to/information for units.**

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Arts

B.A.; Major Concentration in Linguistics (36 cr.) – how complementary courses chosen revised. *Rationale:* To avoid too many intro-level courses chosen by students.

B.A.; Honours in Linguistics (60 cr.) – how complementary courses chosen revised. *Rationale:* To avoid too many intro-level courses chosen by students.

B.A.; Joint Honours – Linguistics Component (36 cr.) – how complementary courses chosen revised. *Rationale:* To avoid too many intro-level courses chosen by students.

B.A.; Minor Concentration in Linguistics (18 cr.) – how complementary courses chosen revised. *Rationale:* To avoid too many intro-level courses chosen by students.

B.A.; Honours in Political Science (54 cr.) – how complementary courses chosen revised, complementary courses added, program note deleted. *Rationale:* Changes will minimize confusion amongst students and make program administration more straightforward.

B.A.; Joint Honours - Political Science Component (36 cr.) – description, program notes revised and one added, how complementary courses chosen revised, complementary courses added. *Rationale:* Changes will minimize confusion amongst students and make program administration more straightforward.

B.A.; Major Concentration in Political Science (36 cr.) – program notes revised and one added, how complementary courses chosen revised, complementary courses added. *Rationale:* Changes will minimize confusion amongst students and make program administration more straightforward.

B.A.; Minor Concentration in Political Science (18 cr.) – how complementary courses chosen revised. *Rationale:* Changes reflect current practice and they will provide greater clarity.

B.A. & Sc.; Joint Honours - Political Science Component (36 cr.) – description, program notes revised and one added, how complementary courses chosen revised, complementary courses added. *Rationale:* Changes will minimize confusion amongst students and make program administration more straightforward.

B.A. & Sc.; Major Concentration in Political Science (36 cr.) – program notes revised and one added, how complementary courses chosen revised, complementary courses added. *Rationale:* Changes will minimize confusion amongst students and make program administration more straightforward.

B.A. & Sc.; Minor Concentration in Political Science (18 cr.) – how complementary courses chosen revised. *Rationale:* Changes reflect current practice and they will provide greater clarity.

B.A.; Honours in Classics (54 cr.) – description, program credit weight decreased, number revised for two required courses, required courses added, required credits increased, how complementary courses chosen revised, complementary credits decreased. *Rationale:* To make necessary coursework more transparent, and because there is no Honours project it was difficult for students to schedule 60 credits of 3-credit courses. *ES Comments/Corrections:* Existing description should be included in box 6.0; revised description omitted information on GPA/CGPA requirements for Honours – was this intentional? Indicate the credit weight for each required course; list specified complementary courses fully by course number, title, credit weight; last bullet should be indicated as “Note: Maximum 18 credits complementary courses at the 200 level.”

B.A.; Joint Honours – Classics Component (36 cr.) – description, required courses added, required credits increased, how complementary courses chosen revised, complementary credits decreased. *Rationale:* To make program more challenging and more in line with the Honours program. *ES Comments/Corrections:* Indicate program credit weight as “36”; existing description should be included in box 6.0; revised description omitted information on GPA/CGPA requirements for Honours – was this intentional? Indicate the credit weight for each required course; list specified complementary courses fully by course number, title, credit weight; last two bullets should be indicated as “Note: Maximum ...”; the sentence related to Faculty regulations should also appear in the honours program’s description or list of requirements.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Arts [continued]

B.A.; Major Concentration in Classics (36 cr.) – description, complementary courses added, how complementary courses chosen revised, program note added. *Rationale:* To make each stream stronger and more distinct. *ES Comments/Corrections:* Existing description should be included in box 6.0 – indicated as “None”; indicate the credit weight for each required course; list specified complementary courses fully by course number, title, credit weight; all bullets relating to minimum and maximum credits should be indicated as “Note:”.

B.A.; Minor Concentration in Classics (18 cr.) – description, required course added, required credits increased, how complementary courses chosen revised, program note added. *Rationale:* Simplify program by eliminating the lists of courses in thematic areas. To make each stream stronger and more distinct. *ES Comments/Corrections:* Existing description should be included in box 6.0; indicate the credit weight for the required course; list specified complementary courses fully by course number, title, credit weight; all bullets relating to minimum and maximum credits should be indicated as “Note:”.
