

The following course and program proposals have been approved by Brad Tucker, Analysis, Planning, and Budget, on behalf of SCTP. Highlighted text in pink are queries to/information for units.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Arts

B.A.; Major Concentration in Russian (36 cr.) – complementary courses added. *SCTP Comments/Corrections:* Indicate offering faculty as “Arts” before offering department.

B.A.; Minor Concentration in Russian Culture (18 cr.) – complementary courses added. *SCTP Comments/Corrections:* Indicate offering faculty as “Arts” before offering department.

B.A.; Honours in Russian (60 cr.) – complementary courses deleted, complementary courses added. *SCTP Comments/Corrections:* Indicate offering faculty as “Arts” before offering department.

School of Continuing Studies

Certificate in Supply Chain Management and Logistics (30 cr.) – a required course deleted, a required course added. *APB Comments/Corrections:* Justification is needed as to why the course being removed [CTPT 207] is not being retired if it has significant overlap with the course being added [CCLW 205]. *SCTP Comments/Corrections:* No need to underline the credits for CMSC 000 in the existing and proposed columns – no change to this info.

Faculty of Engineering

B.Eng. in Computer Engineering (133-139 cr.) – program weight for out-of-province students corrected, a complementary course deleted, complementary courses added, complementary courses moved from one list to another, how complementary courses chosen revised, complementary credits revised.

B.Eng. in Electrical Engineering (134-138 cr.) – number and title revised for a required course, complementary courses added, asterisks added to complementary courses, program notes added. *APB Comments/Corrections:* Confirmation needed in the rationale – it indicates 18 TCs are added but there are 19 added; which is correct? *SCTP Comments/Corrections:* In both existing and proposed columns, indicate the credit weight for ECSE 463.

B.Eng.; Honours in Electrical Engineering (138-142 cr.) – a required course deleted, a required course added, a program note deleted, asterisk deleted from a complementary course, asterisk added to a complementary course, asterisk and note revised. *SCTP Comments/Corrections:* Due to the deletion of the note, should the asterisk be removed from ECSE 403?

B.S.E. (136-143 cr.) – program credits revised, program notes revised, complementary course list divided into two groups, complementary courses added, how complementary courses chosen revised, complementary credits decreased, elective-course section added, how elective course chosen indicated, elective credits increased.

Graduate and Postdoctoral Studies

Faculty of Medicine

M.Sc. in Experimental Medicine; Environment (45 cr.) - program description, required courses deleted, required courses added, complementary courses deleted, complementary courses added, how complementary courses chosen revised, a program note added. *APB Comments/Corrections:* Remove bold from “sciences” in last group of complementary courses; is it clear what “allied sciences” are to students? *SCTP Comments/Corrections:* Remove “An additional” from last group of complementary courses.

Faculty of Science

B.Sc.; Honours in Immunology (Interdepartmental) (76 cr.) – program credit weight increased, a required course added, required credits increased. *APB Comments/Corrections:* Remove the number of required credits to be taken, as all courses under required heading must be taken. *SCTP Comments/Corrections:* Effective term revised to 202001; correct title for added course MIMM 301.

B.Sc.; Minor in Education for Science Students (18 cr.) – a required course added, required credits increased, complementary courses deleted, how complementary credits chosen revised, complementary credits decreased. *SCTP Comments/Corrections:* Effective term revised to 202001; list required course EDEC before EDPE; indicate number of credits to be chosen in complementary groups of courses – not the number of courses.
