Faculty of Engineering

CHEE 456D1/D2 Design Project (9 cr.) [PRN 21250] – consolidation of CHEE 456 [4 cr.] and CHEE 457 [5 cr.], spanned version created, title, hours per week and number of weeks, description, corequisites, restriction, supplementary info. Secretary's comments/corrections: As per rationale - the same issue will apply to students in the spanned version if they only complete D1 and cannot complete D2 in a consecutive term – they will need to re-register for the entire course again and re-take the D1 portion of this course; revise description to read "Chemical ... Professional skills: effective ... effective teamwork" – delete last sentence as it belongs in the course outline; remove information from the Program Change Form Submitted box and check the box that indicates program change form concurrently submitted;

CHEE 512 Stem Cell Bioprocess Eng. (3 cr.) [PRN 21170] – restriction. Secretary's comments/corrections: Revise restriction to read "Open to ...";
