

REPORT 8 FROM THE ASSOCIATE PROVOST (TEACHING AND ACADEMIC PLANNING) TO SCTP
[2023-2024]

SCTP meeting date: April 4, 2024

The following course and program proposals have been approved by Associate Provost Chris Buddle, SCTP Chair, on behalf of SCTP. The following course and program retirement proposals have been approved by Ms. Cindy Smith, SCTP Secretary, on behalf of SCTP. **Highlighted texts in pink are queries to/information for units.**

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Faculty of Agricultural and Environmental Sciences

B.Sc.(Ag.Env.Sc.); Minor in Agribusiness Entrepreneurship (18 cr.) – program description, required courses deleted, a required course added, required credits decreased, complementary courses added, how complementary courses chosen revised, complementary credits increased. **Secretary's comments/corrections:** Remove referral to students from description and delete last two sentences.

Faculty of Engineering

B.Eng. in Materials Engineering (148 cr.) – a required course deleted, required credits decreased, a complementary course added, how complementary courses chosen revised, complementary credits increased.

B.Eng. in Chemical Engineering (143 cr.) – title revised for a required course, a complementary course deleted, a program note deleted.

B.Eng.; Co-op in Software Engineering (141-144 cr.) – program description, a complementary course added.

Secretary's comments/corrections: Revise program description to remove referral to students, explanation, and the careers for graduates – the description should just include the focus of the subject of this program; indicate existing description in box 6.0 as “None” if none exists; remove underlining for ECSE 561 and add this course also to existing column – this course has been added to this program via the new course proposal [see PRN 26852].

B.Eng. in Computer Engineering (133-136 cr.) – a complementary course added. **Secretary's comments/corrections:** Remove underlining for ECSE 561 and add this course also to existing column – this course has been added to this program via the new course proposal [see PRN 26852].

B.Eng. in Electrical Engineering (134-137 cr.) – complementary courses added.

B.Eng.; Honours in Electrical Engineering (138-141 cr.) – program description, a complementary course added.

Secretary's comments/corrections: Revise program description to remove referral to students, who it is intended for, courses – remove “graduate-level” as normally these level courses are not taken in an undergraduate program, and remove how this program is distinguished – the description should just include the focus of the subject of this program; the admission of students should also be removed – it is information for the unit to list, not program requirements within the eCalendar; remove last two sentences.

B.Eng.; Minor in Applied Artificial Intelligence (22-25 cr.) – a complementary course added.

B.Eng. Minor in Software Engineering (18 cr.) – a complementary course added.

B.Eng. in Mining Engineering (144-145 cr.) – an alternative required course added, an asterisk added to a course, a program, note added, existing single asterisk revised and corresponding note revised, technical complementary courses split into two lists, complementary subheadings added, complementary courses added, how complementary courses chosen revised.

B.Eng.; Co-op in Mining Engineering (150-151 cr.) – an alternative required course added, an asterisk added to a course, a program, note added, existing single asterisk revised and associate note revised, technical complementary courses split into two lists, complementary subheadings added, complementary courses added, how complementary courses chosen revised.

Graduate and Postdoctoral Studies

Faculty of Agricultural and Environmental Sciences

M.Sc. in Animal Science (45 cr.) – program description.

M.Sc.(Applied) in Human Nutrition; Non-Thesis - Practicum (45 cr.) – program description.

M.Sc.(Applied) in Human Nutrition; Non-Thesis - Project (45 cr.) – program description.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions

Graduate and Postdoctoral Studies

Faculty of Agricultural and Environmental Sciences [continued]

M.Sc. in Human Nutrition (45 cr.) – program description. *Secretary's comments/corrections:* Remove referral to students from the description.

M.Sc. in Entomology (45 cr.) – program description.

M.Sc. in Renewable Resources (45 cr.) – program description.

M.Sc. in Renewable Resources; Neotropical Environment (45 cr.) – program description. *Secretary's comments/corrections:* Revise description so last sentence reads "... countries. NEO ... and learning of tropical environmental issues relevant to working in the tropics."

M.Sc. in Microbiology (45 cr.) – program description. *Chair's comments/corrections:* Correct the program description – it is exactly the same as the previous proposed description.

Ph.D. in Entomology (0 cr.) – program description. *Chair's comments/corrections:* Remove "Thesis" from description, as there is already text included within the eCalendar for all Ph.D. programs that refers to the thesis.

Ph.D. in Renewable Resources (0 cr.) – program description.

Ph.D. in Renewable Resources; Neotropical Environment (0 cr.) – program description. *Secretary's comments/corrections:* Revise description so last sentence reads "... countries. NEO ... and learning of tropical environmental issues relevant to working in the tropics."

Ph.D. in Microbiology (0 cr.) – program description. *Chair's comments/corrections:* Remove "Thesis" from description, as there is already text included that refers to the thesis.

Faculty of Arts

[with the Faculty of Law] **Joint B.C.L./J.D. and M.S.W.; Non-Thesis** (132 cr.) – complementary courses added.

M.A. in Sociology (45 cr.) – required courses deleted, a required course added, required credits decreased, complementary courses added, how complementary courses chosen revised, complementary credits increased.

Ph.D. in Sociology (0 cr.) – complementary courses deleted, how complementary courses chosen revised, complementary credits revised.

Ph.D. in Sociology; Gender and Women's Studies (0 cr.) – complementary courses deleted, a complementary course added, how complementary courses chosen revised, complementary credits decreased. *Secretary's comments/corrections:* Correct the complementary credits – they do not seem to add up to what is indicated in the proposed column as the maximum.

Ph.D. in Sociology; Population Dynamics (0 cr.) – complementary courses deleted, a complementary course added, how complementary courses chosen revised, complementary credits decreased.

Faculty of Dental Medicine and Oral Health Sciences

M.Sc. in Dental Sciences; Non-Thesis (45 cr.) – program description, a required course deleted, a required course added, a complementary course added. *Secretary's comments/corrections:* Indicate existing description in box 6.0.

M.Sc. in Dental Sciences (45 cr.) – program description, a required course deleted, a required course added, a complementary course added. *Secretary's comments/corrections:* Indicate existing description in box 6.0 as "None".

Faculty of Education

M.A. in Teaching and Learning; Non-Thesis - English Language Arts (60 cr.) – program description, required courses deleted, required courses added, title revised for some required courses, required credits decreased, streams added to complementary section, a complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary credits increased. *Chair's comments/corrections:* Remove from program description who the program is open to; include the subject of this program; remove MATL; revise second-to-last sentence to remove competencies are developed.

M.A. in Teaching and Learning; Non-Thesis - Mathematics (60 cr.) – program description, required courses deleted, required courses added, title revised for some required courses, required credits decreased, streams added to complementary section, a complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary credits increased. *Chair's comments/corrections:* Remove from program description who the program is open to; include the subject of this program; remove MATL; revise second-to-last sentence to remove competencies are developed.

SECTION A: APPROVED PROGRAMS

Graduate and Postdoctoral Studies

Faculty of Education [continued]

M.A. in Teaching and Learning; Non-Thesis - Science and Technology (60 cr.) – program description, required courses deleted, required courses added, title revised for some required courses, required credits decreased, streams added to complementary section, a complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary credits increased. *Chair's comments/corrections:* Remove from program description who the program is open to; include the subject of this program; remove MATL; revise second-to-last sentence to remove competencies are developed.

M.A. in Teaching and Learning; Non-Thesis - Social Sciences (60 cr.) – program description, required courses deleted, required courses added, title revised for some required courses, required credits decreased, streams added to complementary section, a complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary credits increased. *Chair's comments/corrections:* Remove from program description who the program is open to; include the subject of this program; remove MATL; revise second-to-last sentence to remove competencies are developed.

M.A. in Teaching and Learning; Non-Thesis - English or French Second Language (60 cr.) – program description, required courses deleted, required courses added, title revised for some required courses, required credits decreased, streams added to complementary section, a complementary course deleted, complementary courses added, how complementary courses chosen revised, complementary credits increased. *Chair's comments/corrections:* Remove from program description who the program is open to; include the subject of this program; remove MATL; revise second-to-last sentence to remove competencies are developed.

Interfaculty Studies

M.Sc. in Neuroscience (45 cr.) – program description.

Ph.D. in Neuroscience (0 cr.) – program description.

Faculty of Medicine and Health Sciences

M.Sc. in Genetic Counselling; Non-Thesis (48 cr.) – program description. *Secretary's comments/corrections:* Correct program title in description – “Non-Thesis” omitted.

M.Sc. in Human Genetics (45 cr.) – program description.

M.Sc. in Human Genetics; Bioethics (45 cr.) – program description. *Secretary's comments/corrections:* Remove from program description “graduate” as this is redundant.

Faculty of Science

Ph.D. in Mathematics and Statistics (0 cr.) – how complementary courses chosen revised. *Secretary's comments/corrections:* Confirmation needed whether students are admitted to the summer term – if not, revise effective term to 202409.

Ph.D. in Computer Science (0 cr.) – program description, a required course added, required credits increased, complementary courses deleted, how complementary courses chosen revised. *Secretary's comments/corrections:* Revise complementary-credit text to read “6-32 credits of graduate-level courses, excluding ...”

M.Sc. in Computer Science (45 cr.) – program description, complementary courses added, how complementary courses chosen revised.

Faculty of Law

B.C.L./J.D. (105 cr.) – a complementary course added.

B.C.L./J.D.; Honours in Law (120 cr.) – a complementary course added.

B.C.L./J.D. with Minor in Law (123 cr.) – a complementary course added.

B.C.L./J.D. with Major Concentration in Commercial Negotiation and Dispute Resolution (123 cr.) – a complementary course added.

Faculty of Medicine and Health Sciences

B.Sc.(Nursing) (103 cr.) – a required course deleted, a required course added. *Secretary's comments/corrections:* Correct the degree in box 1.0, remove info in box 1.1, correct “Electives” heading; confirmation needed whether required course being removed will be retired; indicate long title for added course.

SECTION A: APPROVED PROGRAMS

Minor and Moderate Revisions [continued]

Faculty of Science

B.Sc.; Honours in Computer Science (72-75 cr.) – program description, required credits revised, complementary credits decreased, how complementary courses chosen revised. *Chair's comments/corrections:* Revise description to revise “more demanding” and “more challenging” to advanced; remove referral to courses. *Secretary's comments/corrections:* Correct program credit weight in box 4.0; indicate required courses credits to read “46-49 credits”; revise last group of complementary courses to read “20 credits selected from ...”

B.Sc.; Major in Biology and Mathematics (76 cr.) – program description, advising note revised, an alternative required course added, a program note revised, a program note added, a program note deleted, a complementary course deleted, asterisk removed from a complementary course, complementary courses added, stream heading revised, how complementary courses chosen revised. *Secretary's comments/corrections:* Ensure all changes/added text are underlined in proposed column; remove added note and asterisks pertaining to BIOL 202 and BIOL 302 – students may only take one or the other from that group.
